

11th Grade Career Cruising Activities

By the end of the school year, all 11th graders should have the following activities completed in Career Cruising. These updates should occur during Math and/or TFT classes, and the flexibility is there for students to update their Educational Development Plan (EDP) whenever they feel like “cruising” in Career Cruising. **The following activities need to be completed by all juniors by the end of the current school year:**
