Starting next week, Trojan Outfitters will be open Tuesday and Thursday mornings, before school. With the weather getting colder, many of our students are in need of warmer clothing. Although a student can be accompanied to Trojan Outfitters during the school day, we hope that having it open before school will make it easier for them to access.

We are very fortunate to have this great resource for our students. It was built by Grant Prater for his Eagle Scout Project (look for the post on our Facebook page for more information on his project), and we hope that during the holiday season, you will have the opportunity to talk to your friends and family about Trojan Outfitters.

We accept donations on an on-going basis; we accept new and used clothing, as well as hygiene products and school supplies. When you have items to donate, you may bring them to the main office at any time.

There will be an announcement coming with details to share with students during TFT. It is important for them to understand that the items are free, with no questions asked. We want Trojan Outfitters to be an "exchange", where students may donate items, as well as shop for them.
