Dear Terry,

It is with mixed emotions that I am submitting this resignation from Monroe Public Schools. My last day of employment for this school district will be August 15<sup>th</sup>, 2016.

I will greatly treasure the decade of experiences as well as the relationships I have built with my co-workers, students and families of Manor Elementary School. Teaching here has been a joyful and rewarding experience. I am thankful for the support and opportunities that have been provided to me as a Monroe Pubic School Employee.

If I can be of assistance in any way during this transition please let me know. I wish only the best for you and my co-workers in the years to come.

Sincerely,

Angela Ashcraft
