Monroe High School is shaping the leaders of tomorrow!

College Prep

Monroe High School's College Prep offers an unparalleled array of Advanced Placement Course offerings, as well as direct college and dual enrollment opportunities for students to earn college experience and credit in high school. Students work with their Guidance Coordinators to establish an Educational Development Plan, so each student will have a path to follow in preparing for college, trade school, the military, or a career out of high school!

Career and Technical Education

The Career and Technical Education offerings at MHS gives students the opportunity to gain real-world experience and college credit. From health occupations to construction trades to business students can find their passion and be ready for the next step in making that dream a career right out of high school!

Fine Arts Academy

Students at Monroe High School have access to award-winning fine arts curriculum, including a wide-array of instrumental music and choral offerings. Our music programs also give our students great scholarship opportunities after high school. Students can participate in drama offerings as well as their choice of great art and design offerings! **...and so much more!**
