Dear Monroe High School Family,

As you know, every day at Monroe High School your student is engaged in individualized instruction that is targeted to his or her career pathway. In accordance with the State of Michigan graduation requirements your student has not passed one or more of the required courses needed to graduate. In order to ensure your student has the opportunity to recover this missing credit(s) Summer Learning Academy is strongly recommended.

Your student will have the opportunity to recover a required Math and/or ELA course that was not previously passed during the 2018/2019 school year or prior.

*If your student has also not passed a science or social studies course we will add this to his or her summer schedule upon completion of the SLA application.

We are optimistic about continued growth in these areas and would like your student, to continue to work toward graduation requirements and individual goals during the summer at the MPS Summer Learning Academy.

- Summer Learning Academy will run from July 8th- August 15th
- Sessions will be Monday-Thursday from 8:15-12:15
- Breakfast and lunch will be available at no charge
- Transportation available

Thank you for being a key member of this educational team! Feel free to contact the counselor's office for more information about your student's courses, - Scott Hochradel (Last Names beginning with letters A- G) at 265-3435, LiKina Turner (letters H-O) at 265-3434, or Lisa Warnke (letters P-Z) at 265-3439. To register for Summer Learning Academy, please go to the district website at www.Monroe.k12.mi.us or call 265-3100.

Sincerely,

Bill Ferrara
Principal
