

Safety City 2019

Monroe Public Schools Community Education, in cooperation with the City of Monroe Police Department, will be offering Safety City at **Custer II Elementary from June 17- 28, 2019**. Eligible children must be currently attending Young 5's or Kindergarten or entering one of those programs in the fall of 2019. This program is specifically designed to teach children good safety habits at home, school, and around the community. It also provides an opportunity for your child to interact with other children in an informal school-like setting. Your child will meet and become friendly with many of the resource people in our community. Each day a different safety topic is presented by the certified classroom teacher along with the program police officer or a special guest. The program may also include field trips to places like the fire station and the Monroe County 911 dispatch center. The children will also learn and practice bicycle, pedestrian and playground safety by riding pedal cars in an outdoor classroom with street signs and a working stop light. A light snack is shared each day and all students receive a Safety City shirt to be worn to the special "graduation ceremony" held at the conclusion of the program.

The cost for this two-week program is \$65.00 per student. Registration begins on Monday, May 6, 2019 at 8:00 am and will continue until all sessions are filled. Children must be currently enrolled or entering either Young 5's or Kindergarten in the fall.

Class Sessions will be held Monday-Friday for 2 weeks at the Custer II Elementary School, 5001 W. Albain Rd, Monroe, MI 48161 according to the following schedule:

SESSION 1	JUNE 17 TH - JUNE 28 TH	9:30 am - 11:30 am
